教学大纲及教学日历 SYLLABUS

15. **教学目标 Course Objectives**

The main objective of the course is to acquaint students with a variety of Buddhism's roles in human history. The course will first follow the chronological order of the development of Buddhism throughout Asia and later deal with its influence on the contemporary world as well. The course pursues the interactive and participatory pedagogy and, in order to better serve this purpose, every weekly meeting of the course will be comprised of two parts: topic-oriented lectures and interactive Q&A sessions. For every week's topic, students are expected to read required weekly readings before the lecture and encouraged to prepare at least one question or comment regarding weekly subjects in the Q&A session. During the course, we will watch two films about Buddhism's roles in history and students are required to write one final paper on one of them.

16. **预达学习成果 Learning Outcomes**

After successful completion of this course, students should be able to:

- Have a broad range of knowledge about Buddhism's roles in human history
- Possess a better understanding of the interactions between human societies and one of world's major religions
- Learn how to do historical research and use relevant reference resources
- Improve English reading and writing skills

17. **课程内容及教学日历** (如授课语言以英文为主, 则课程内容介绍可以用英文; 如团队教学或模块教学, 教学日历须注明主讲人)
