### 教学大纲及教学日历 SYLLABUS

15. 教学目标 Course Objectives

This course is designed for students who have some previous knowledge of French and aims at continuing to learn the basics of French (A1 level in the Common European Framework of Reference for Languages). It continues the previous level that started from greeting someone and talking about daily activities. In this course students will deal with telling time, travelling, food, asking and giving advice, and also formal introductions, along with other topics. The students will learn pronunciation, spelling and basic grammar rules. The focus will be on developing the student's skills with the four key areas of language: Writing, Speaking, Listening, and Reading. During this course, students will learn the basics of French and will be able to understand and use some everyday expressions.

16. 预达学习成果 Learning Outcomes

Upon completion of the course, students will be able to

- communicate on simple topics
- learn about 500 new words
- understand and make simple sentences
