教学大纲及教学日历 SYLLABUS

15. 教学目标 **Course Objectives**

The IELTS Preparation (Listening and Speaking) course will provide students with IELTS Academic Test instruction, test types analysis, listening and speaking topic analysis and test-taking strategies. Specifically, this course will help students to:

- increase their IELTS Listening and Speaking scores.
- enhance their communicative competences and better survive in an English-speaking country.
- learn strategies for practicing and improving listening and speaking on their own.

16. 预达学习成果 **Learning Outcomes**

Through successful completion of this course, students will:

- Be familiar with different listening and speaking task types, and be able to answer all questions involving the 2 skills (listening and speaking) in the IELTS Academic Exam.
- Listening: achieve a listening score of 5.5/6.0 to 6.0/6.5 or above.
- The students will be able to use the listening test-taking techniques to answer various questions, for example, identify key words by synonyms and specific markers.
- Speaking: achieve a speaking score of 5.5/6.0 to 6.0/6.5 or above.
- The students will be able to speak for 2 minutes on any given topics without interruption. Besides, students will be prepared to have a conversation and a discussion with the examiner under any given topics on a one-to-one basis.
